PROFESSIONAL SUMMARY

Frontend developer with 2+ years of experience building responsive, mobile-first web applications using React, Next.js, TypeScript, and Tailwind CSS. Skilled at translating Figma designs into accessible, reusable interfaces and integrating REST APIs, Supabase, and AI-powered features. Comfortable across the full development lifecycle, from Git-based collaboration to deployment on Vercel and Netlify.

CORE SKILLS

Frontend: React.js, Next.js, JavaScript, TypeScript, HTML5, CSS3, Tailwind CSS

UI/UX: Responsive & Mobile-First Design, Figma, UI/UX Implementation, Accessibility

Backend & APIs: REST APIs, Supabase, Database Integration

Tools: Git/GitHub, VS Code, Netlify, Vercel, npm/pnpm, Chrome DevTools

WORK EXPERIENCE

IT Intern — Advertising Regulatory Council of Nigeria (ARCON)

Apr 2025 – Sep 2025

- Supported IT operations, systems maintenance, and internal digital tools within a government regulatory body.
- Assisted with software deployment, troubleshooting, and documentation of IT workflows.

Frontend Developer Intern — Cakkie Foods Ltd

Nov 2024 – Feb 2025

- Developed and maintained responsive UI components for the company's web platform.
- Collaborated with the design team to implement Figma prototypes using React and Tailwind CSS.
- Participated in code reviews and applied best practices for performance and accessibility.

Computer Instructor — Beautiful Beginners Nursery and Primary School

Aug 2023 – Mar 2024

- Taught foundational computer science concepts and practical web skills to students.
- Built a responsive school website using HTML, CSS, and JavaScript as a hands-on learning project.

PROJECTS

AI-Based Student Project Recommendation System | Next.js, TypeScript, Tailwind CSS, Gemini API, Supabase

- Built a web application recommending final-year project ideas based on students' skills, interests, and career goals.
- Integrated the Gemini API to generate personalized project recommendations.
- Built responsive onboarding, dashboard, and recommendation interfaces using Next.js and Tailwind CSS.

Rapha Homes & Properties | Next.js, TypeScript, Tailwind CSS, Web3Forms

- Developed a responsive real-estate platform for browsing properties and connecting clients with agents.
- Implemented property search/filtering, authentication UI, contact forms, and responsive layouts.

EDUCATION

B.Sc. in Computer Science — University of Lagos | 2020 – 2026

- Relevant coursework: Data Structures, Web Design & Security, Software Design & Architecture.
- Skills developed: analytical thinking, teamwork, web development, project management.
